

Lighting Design Group

SELECTED PROJECT EXPERIENCE

COMMERCIAL - MID-RISE

CD+M Lighting Design Group is an international lighting design consultancy comprised of designers whose work encompasses a variety of markets. Our award-winning design team has extensive experience creating innovative custom lighting plans to enhance architectural environments. Our clients include leading architects, interior designers and developers in more than 20 countries worldwide.

With staff in the US, UAE, UK and PRC, our designers are fluent in multiple languages, maintain close ties to global manufacturers and suppliers and have an excellent understanding of how to integrate lighting into both architecture and landscaping.

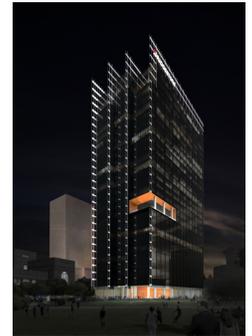

METROPOLIS PHASE II, LOS ANGELES, CA

Metropolis is a mixed-use development consisting of residences, hotel, office and retail in the heart of downtown Los Angeles. Phase II consists of a 42-story high-rise, an 18-story mid-rise, and nine levels of podium/parking garage. Both the high-rise and mid-rise include a total of 514 luxury condominiums. Amenities will include a large landscaped deck featuring a swimming pool, fire features, a field for sports like volleyball and yoga, a dog park and a play space for children. Designed by Gensler and Harley Ellis Devereaux Architects, CD+M is providing facade and site lighting design for Phase II in addition to interior lighting design of the public areas.

BRIDGESTONE TOWER, NASHVILLE, TN

Designed to be one of the largest and tallest corporate headquarters buildings in Nashville, a 30-story, \$200 million office tower for Bridgestone Americas Inc. is currently under construction in the downtown SoBro area. When completed in mid-to-late 2017, the new building will house more than 1,700 employees. This signature high-rise, designed by Perkins+Will, will serve as the work environment for this highly regarded, globally recognized company with a strong presence in Nashville. CD+M designed the tower facade and public lobbies.

SOVEREIGN TOWER, ATLANTA, GA

An architectural marvel that soars 635 feet into the skyline, Sovereign is a 50-story high-rise tower on Peachtree Road in the Buckhead district of Atlanta. With 600,000 SF of retail, restaurant and office space, this mixed-use urban designed project was designed by Atlanta-based Smallwood, Reynolds, Stewart and Stewart and has won numerous accolades including a 2009 ULI Development Excellence Project of the Year award. CD+M provided architectural lighting design of the site, residential and office lobbies, 28th floor residential club and pool deck and façade.
