

Lighting Design Group

SELECTED PROJECT EXPERIENCE

EDUCATION - PRE K-12

CD+M Lighting Design Group is an international lighting design consultancy comprised of designers whose work encompasses a variety of markets. Our award-winning design team has extensive experience creating innovative custom lighting plans to enhance architectural environments. Our clients include leading architects, interior designers and developers in more than 20 countries worldwide.

With staff in the US, UAE, UK and PRC, our designers are fluent in multiple languages, maintain close ties to global manufacturers and suppliers and have an excellent understanding of how to integrate lighting into both architecture and landscaping.

PACE ACADEMY ARTHUR M. BLANK FAMILY UPPER SCHOOL, ATLANTA GA

This 76,000 SF light-filled, four-story building includes 40 classrooms, a three-story library, science and computer labs, academic resource center, college counseling facility and a roof terrace. The two-story student commons is an energetic social hub for students and teachers to congregate and collaborate.

UPPER SCHOOL MOUNT VERNON PRESBYTERIAN SCHOOL, ATLANTA, GA

Designed to complement the school's growing K-8 program, this 73,000 SF brings strong connection between indoor and outdoor spaces and the abundance of natural light within the building enhance student and staff experiences exponentially and increase productivity and well-being. Among the many spaces lined with windows, the facility includes a centrally located classroom and administration wing, media center, visual art classrooms and administrative support spaces. An 11,000 SF competition gymnasium is the core of athletic activity, with a new competition football and soccer venue and ball field, strengthening the athletic program.

NORTH ATLANTA HIGH SCHOOL, ATLANTA, GA

An adaptive reuse design of the former 56-acre IBM Corporate Campus, the 507,000 SF accommodates 2,400 students. Divided into four smaller learning communities, students and teachers interact not only in classrooms, but also between floors. The assembly building includes large, high-volume spaces with special acoustics and includes a 600-seat auditorium, a 150-seat black box theater, music rooms and a 2,100-seat competition gymnasium with practice gym.
