RAVELLO LOUNGE & MARINELLIS RESTAURANT AT M RESORT, LAS VEGAS, NV

Encompassing more than 90 acres of prime real estate, M Resort is the latest addition to the glittering Las Vegas skyline. As the first glimpse of Las Vegas seen by arrivals driving up from Southern California, developer Tony Marnell was determined that the entire property present an upscale, hip vibe to the guests. CD+M developed a lighting plan for the resort's interior and exterior spaces – including a full-service spa, casino, nine restaurants and five bars – using a wide variety of modern technology to create color-changing coves and glowing, rear-illuminated panels.

ARIA TUSCAN GRILL, CHARLOTTE, NC

The Aria restaurant and lounge serves simple, honest old world Italian comfort food in a modern and sophisticated setting. Exposed Edison bulbs cast a warm glow over the airy dining room and patrons can marvel over the restaurant's open kitchen and impressive wine collection, showcased in illuminated glass cabinets. Following the illustrious white stone wall upstairs to Bar La Scala, guests will find a modern but classic lounge where they can escape for an after dinner dessert or live music.

BISTRO NIKO, ATLANTA, GA

Named one of the top ten restaurants in 2010 by Esquire Magazine, Bistro Niko offers patrons a piece of Paris, in the heart of Buckhead, Atlanta. Grand ceilings, antique lighting, Parisian art and a patio overlooking Atlanta's famous Peachtree Street make Bistro Niko both a dining destination and a neighborhood restaurant. "...Big, brassy and teeming with life, it could easily be compared to some of the more famous brasseries that have come before it – Brasserie Lipp in Paris; or perhaps Balthazar in New York City," says Meridith Ford Goldman, Atlanta Journal Constitution. CD+M provided design of the interior lighting and controls.
