

Anna Cecelia Martín

DESIGNER

Anna Cecelia Martín joined CD+M Los Angeles in 2013. Prior to working for CD+M, she was a lighting designer for Thinkwell Group. She completed her Masters in Lighting Design at the California Institute of the Arts. Anna is an avid international traveller and loves to explore new possibilities with light. Anna uses light to transform mood, tone and depth to enhance the atmospheric perspective.

Anna is a multi-faceted lighting designer. She has practiced lighting techniques for photography, film, nightclubs, museums, stop motion animation, and stage lighting: theatre, puppetry/toy theatre, dance and music/operas. With her diverse interests she can acclimate easily to different genres of lighting.
