

CHRIS STEWART
PRODUCTION MANAGER

Chris Stewart graduated from the Savannah College of Art & Design in 1997 with a Master's Degree in Architecture and an Electronic Design minor. He is skilled in the installation, configuration and use of design technology applications, and the creation and administration of construction documentation. He has created artistic 3D visualizations of architectural projects, both still renderings and animated features, for firms in the Atlanta, GA and San Antonio, TX areas.

Mr. Stewart has also successfully managed multiple architectural projects from initial concept, through schematic design, design development, construction documentation and administration. Projects range from single-family residences, retail tenant fit out and municipal projects.
